

 **MADE IN THE  
MIDWEST**

## 280,000 SQUARE FEET OF MANUFACTURING & ASSEMBLY SPACE

Our mixer trucks are built and assembled in New Ulm, MN and Prentice, WI. Our sister company SpecSys. Inc, has manufacturing and engineering locations across the midwest. The hardworking rural communities we are a part of have been providing manufacturing solutions for machinery and equipment projects, simple or complex, large or small for over 25 years.

It is one of the few firms in the country that offers true full service contract engineering and manufacturing.

### **SERVICES AVAILABLE IN HOUSE:**

Fabrication • Machining • Welding • Painting • Assembly

121 N 1st Street  
Montevideo, MN 56265
